VOL.11, #5 NEWSLETTER FOUNDED SEPTEMBER 1990 JUNE 2001

FROM THE PRESIDENT'S DESK --

Well I finally have at least some of the stamps I purchased, at our stamp show, affixed in my album and some of the aches and pains, from moving all those frame boxes, have dissipated. It was a good show and I want to thank everyone who had a part to play in its success. As you know or found out if this is your first show, it takes a lot of planning and coordination to make this show work. As far as I know there were no major problem areas but if you know of something that needs changed, please let Jim Boyles or me know so it can be corrected.

I have not had an opportunity to look at our register we kept at the front door, but I wonder how many of those that attended our show were from Lancaster County. And if they were from Lancaster County I wonder why they are not members of our club? I know that some people are just not joiners, but what about the rest.

I know that we philatelists do not go around with a stamp affixed to our foreheads for identification. If you see someone in a store looking at stamp materials or go to an auction and have people bidding against you that you do not know, do

not be afraid to identify yourself as a member of our club and offer information about us. Some people do not like trying an activity unless they know someone who is a member. Even though it may be only a casual contact it may be enough to at least have them come and check us out.

Dick Shaefer

JUNE HOST

Hopefully JIM BOYLES has not exerted himself too much as co-chairman of the annual LANCOPEX show and still has a bit of energy left to be our Host for the June meeting. JIM, it looks like you are "on tap" for the goodies for June.

JUNE PROGRAM

The June program will consist of a **WASHLINE EXHIBIT**.

All members are asked to exhibit something of their collection that is of particular interest to them and exhibit it on our "washline".

This will be a sharing time for everyone and should prove to be very exciting. ALL members are asked to exhibit something. Those who do not exhibit will be fined 25 cents.

A TRIBUTE TO TWO ACTIVE
CLUB MEMBERS WHO ARE NO LONGER
IN OUR MIDST

We wish to celebrate the life of
KATHERN MAINE AND HARRY S. RAPP.

The presence of these two members of
the LCPS will leave a great gap in
our club. They were both active mem-
bers and appreciated by all who knew
them.

KATHRYN was a school counselor and
a teacher at the high school levels.
She was a member of the First
Methodist Church in Millersville and
was a very civic-minded person. Her
list of memberships and achievements
are unending.

In the literary area she enjoyed
writing one-act plays. She was a
world traveler.

ALLEN WHEELER, an LCPS special
friend of hers, told this reporter
the story of her 76th birthday party
where her grandson played the violin
for his grandmother as his "special
gift" to her. KATHRYN was positively
elated over this gift!

All you had to do was talk to
KATHRYN five minutes and you knew
from her lovely accent she was from
the South (Tennessee) and was one
child in a family of ten children.

The APS will be sent a donation in
loving memory of KATHRYN J. MAINE by
the L.C.P.S. KATHRYN was 78 years
old.

"I'M JUST WILD ABOUT HARRY" could
have been the theme song for our
stamp club. Everyone loved to hear
the stories HARRY would share with
other club members at our meetings.

Like KATHERN, HARRY lead a very
colorful life. He traveled widely
and has always lived life to the
fullest wherever he resided.

HARRY was in show business which
added to his many experiences and
tales he would share.

As a sergeant in the U.S. Army dur-
ing WWII, he returned from serving
his country and became very active
in the American Legion. His patriot-
ism for his country was without
question.

HARRY was a collector of all kinds
of collectables. In the June 1991
issue of our club newsletter we did
a special article about Harry and
his colorful life. The article was
entitled "Packrat Harry" and it
tells of HARRY'S colorful life in
detail. Anyone wanting a copy of
this article, please let the editors
know and we will send it to you.

A special memorial will be sent to
the APS by our club in memory of
HARRY S. RAPP, 88 years old. HARRY
was the last surviving member of his
family.

SPECIAL THANKS TO BEATRICE KILLOUGH!

The estate of BEATRICE KILLOUGH
donated some of her stamps to the
club for sale at our May Auction. We
realized a profit of \$51.00 for the
club from this gift. We thank t
estate and extend our appreciatio
to her family, William and Robert
Killough.
