

LANCASTER COUNTY POSTCARD CLUB

Dear fellow member and future members,

Our second meeting (first formal meeting) was attended on February 26 by 37 people. Paid membership is now an impressive 32! We thank each of you enthusiastic collectors and learners for joining with us, and invite any of your fellow deltiologists to join us.

THANK YOU, THANK YOU, THANK YOU -

Shirley Neidermyer for making phone contact to over 10 media sources and then seeing they got our News Release in February.

John Long for setting up patterns for our new Membership Applications

Bernie Heisey for again supplying us with coffee and tea.

Gordon McKinzie for donating cups(which he graciously purchased at the 11th hour when Jim Ward forgot to bring them).

Darlene and Jim McMullin for thoughtfully donating 2 dozen Dunkin' Donuts (\$3.78 was dropped in the contribution cup and will be added to the club treasury).

With little fanfare we gave ourselves a name and elected these members:

President: Jim Ward, Secretary - Eliza Graver, Treasurer - Charlie Griffiths. (Editor's note: I'm extremely happy to have both these old friends working with me. Having experience and knowledge such as only they can offer, will make my leadership much easier.) Oh, by the way, I assume we were elected for one year?

AN APOLOGY

In the excitement of my presentation, I failed to remind the Club that other members had brought postcards of general stores. I did see Anne Steinberg proudly show Howard's album of absolutely gorgeous cards and am glad many of you got to see such places as Lyles,, Ledger, Bartville and Ninepointville. Do you even know where two of those place are??

GET WELL DAISY 'N DAN

Daisy Schaeffer and Dan Good were both missed and we all hope to see them in March. It would have been nice to get a phone call from Dan (in Florida) asking me to drive his big van down for a big card collection he just purchased. But no such luck. Daisy, (and Dede, of course) will be at their table at the Morlatton Postcard Show on March 30 and 31. This crowd-pleasing event will be Friday from 10 to 7 and Saturday from 10 to 5. More details at our March 26 meeting.

MEMBER TABLE SET-UPS

Jere Greider, Howard Steinberg and Jim Ward set up Postcard Swap-Sell Tables in February. Any member is invited to do the same. Charge is \$2.50, payable that evening, but please try to let me know at least a day before - for table arrangement (626-4660, Box 300, Lititz, 17543). Sales were brisk and steady until closing time - just before 10 p.m.

CHARTER MEMBERSHIP IN THE LANCASTER COUNTY POSTCARD CLUB

Although its purely prestige, wouldn't it be neat to grant the earliest members the honor of being Charter Members of our club? Those stalwart pioneers of Lancaster's FIRST postcard club, those hardy, adventurous souls who were willing to lay down their bucks - against all odds - that such an organization could survive! A suggestion (subject to member approval) - that all paid members up to the third (March) meeting constitute the CHARTER MEMBERSHIP of THE LANCASTER COUNTY POSTCARD CLUB.

OVERHEAD PROJECTOR

The February visual presentation went well with Jim's overhead projector. If you'd like it's use contact him at least two weeks before hand. The only cost would be the acetate page (33¢) which can each copy 4 postcards permanently.
