Gentlemen:-

We take pleasure in sending the enclosed Special
Delivery Stamps which we used about 15 years ago, when we
were allowed to distribute our weeklies from house to house
by messenger.

Also another copy of a Christmas number of Ackers
Weekly which we formerly sent out through the Post Office.
We are also including a circular which we send out about
10 years ago.

There was a new act passed in July 1912, prohibiting
the use of any stamp other than a United States postage stamp
on the face of any advertising matter--at which time we
discontinued having same printed on our advertising matter.

We are herewith returning the 25¢ in stamps which
you kindly sent--we are only too glad to be of service to
you.

Yours very truly,
FINLEY ACKER COMPANY.

REDUCTION.

Only 25c. per Year

ACKER'S WEEKLY

will be mailed each week to any address in the United States at only 25c. per year. This is less than one-half the cost of postage, but we make the offer so that all who desire to receive the Weekly by mail can do so at but very trifling cost to themselves.

ACKER'S WEEKLY

is served free each week in over 100,000 Philadelphia homes, but occasionally a house may be missed, and in some cases the Weekly may be lost. For this reason we have arranged to mail it at the nominal price of 25c. per year.

ACKER'S WEEKLY

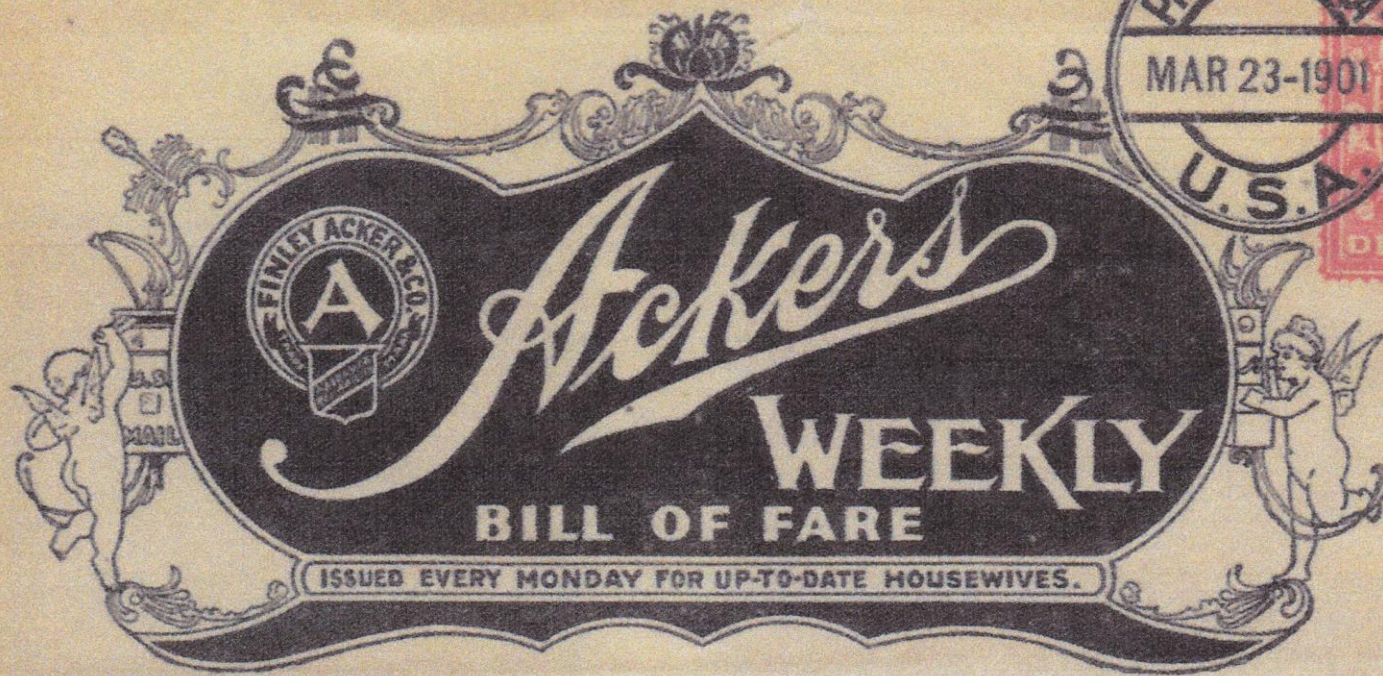

can be had free at both our stores, and also at many news stands; and we offer to furnish it free to all News Dealers who desire it.

This week's issue contains 20 attractive Grocery and Candy Specials, and should be read by every progressive housewife.
